## PROCEDURES

The information contained within the procedure is to be used as a guide and modified according to the services context.

### GENERAL ORIENTATION PROCEDURES

The time required for orientation and settling in will vary for each child and their family, therefore it is important to be flexible and individualise orientation for each family.

- Offer families the opportunity to visit the service at different times during the day/session, this allows the child and their family to become familiar with the various routines of the service
- Provide reassurance to the family that they may stay with their child for as long as they choose during orientation and once the child commences

- Provide the family with suggestions for developing and maintaining a routine for saying goodbye to their child
- Reassure the family:
  - they can leave their child initially for a shorter day, gradually increasing the length of time
  - they may call and speak to their child's early childhood teacher or educator(s) at an agreed time
  - the early childhood teacher/educators will keep them informed on how their child is settling in
  - they will be informed about any changes or circumstances which may affect them or their child.
- Further considerations may include but are not limited to:
  - send an email during the day to update the family on their child including a photo of the child (if the child has settled in) (*refer to the information and Communication Technology Policy*).
  - **Note:** For children in out-of-home care, the educator may need to seek permission from Child Protection before taking and distributing photos of the child
  - asking the family how they have settled in and if they have any questions or concerns.
- Refer to *Attachment 2* for the general kindergarten registration and enrolment procedures
- Refer to *Attachment 5* for cancellation of enrolment and non-attendance procedures.

## BACKGROUND AND LEGISLATION

### BACKGROUND

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (*Regulation 168(2) (k)*).

It is intended by 2022 that all eligible Victorian children (*refer to Definitions*) will have access to two years of kindergarten before commencing school. Where demand is higher than availability, approved providers must adhere to their eligibility and DE's Priority of Access criteria (*refer to Definitions and Attachment 1*) in order to allocate the available places. The criteria used to determine the allocation of places takes account of the requirements set out in DE's Kindergarten Funding Guide (*refer to Sources*), the service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2010*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Services participating in a central registration and enrolment scheme are required to comply with the registration and/or enrolment procedures of that scheme.

The Central Registration and Enrolment Scheme (CRES), co-designed by DE provides access to families to register for and secure a place for their children in kindergarten. It is a collaborative model that brings together councils, service providers, MCH staff, support services and other stakeholders to support children and their families. In 2020 more than half of all local councils across Victoria operate a form of central enrolment or central registration scheme. These schemes provide a single point of entry for families, simplifying the kindergarten enrolment process and improving equity of access.

Immunisations are an effective means of reducing the risk of vaccine preventable diseases. Early childhood education and care services which are regulated under the *Education and Care Services National Law Act 2010 and Education and Care Services National Regulations 2011* have legislative responsibilities under the *Public Health and Wellbeing Act 2008* to only offer a confirmed place in their programs to children with an Australian Immunisation Register (AIR) Immunisation History Statement (*refer to Definitions*).

## DEFINITIONS

The terms defined in this section relate specifically to this policy. For regularly used terms e.g. approved provider, nominated supervisor, notifiable complaints, serious incidents, duty of care, etc. refer to the Definitions file of the PolicyWorks catalogue.

**Access to Early Learning (AEL):** a program for a child who is at least three years old on April 30th in the year of enrolment, providing intensive support to eligible families with multiple and complex needs, assisting them to access universal kindergarten programs.

**Australian Immunisation Register (AIR) Immunisation History Statement:** The AIR is a national register administered by Medicare that records all vaccinations given in Australia, including to children. In the case of medical contraindication, an authorised medical practitioner completes and signs a Medical Exemption Form and supplies it to the AIR (previous forms of documentation, for example a letter from a GP or local council, are no longer acceptable).

**Authorised nominee:** (In relation to this policy) is a person who has been given written authority by the parents/guardians of a child to collect that child from the education and care service. These details will be on the child's enrolment form.

**Children/families experiencing vulnerability and/or disadvantage** (in relation to this policy): children are vulnerable if the capacity of parents and family to effectively care, protect and provide for their long-term development and wellbeing is limited. Some factors which may contribute to a child experiencing vulnerability include: a child with a disability; living in a family with a low income, or one which is experiencing problems with housing, domestic violence, substance abuse, or mental health; known to child protection; in statutory out-of-home care; Aboriginal and/or Torres Strait Islander, having a culturally and linguistically diverse background; having a young or sole parent, or a parent with a disability (adapted from the Kindergarten Funding Guide)

**Children with additional needs:** Children whose development or physical condition requires specialist support or children who may need additional support due to language, refugee or asylum seeker experience, complex trauma, cultural or economic circumstances (*refer to Inclusion and Equity Policy*) (*refer to Children/families experiencing vulnerability and/or disadvantage Definition*).

**Central Registration and Enrolment Scheme (CRES):** CRES provides a single point for families to apply for multiple kindergarten services within a local government area, helping them secure a place that meets their needs and enabling funded kindergartens to work collaboratively with other services to engage vulnerable and disadvantaged families.

**Deferral:** When a child does not attend in the year when they are eligible for a funded kindergarten place or is officially withdrawn from a service prior to the annual confirmation in

April DE considers that this child has not accessed a year of funded kindergarten and is therefore eligible for a DE funded kindergarten place in the following year.

**Early Start Kindergarten (ESK):** Early Start Kindergarten provides eligible children with 15 hours of free or low-cost kindergarten each week led by a qualified Victorian Institute of Teaching (VIT) registered teacher. ESK is available to children who are at least three years old by 30 April in the year they are enrolled to attend the program and are:

- from a refugee or asylum seeker background, or
- Aboriginal and/or Torres Strait Islander, or
- known to child protection.

These children can also access free or low cost year-before-school kindergarten through the ESK Extension Grant regardless of whether they have accessed ESK in the previous year.

**Early Start Kindergarten extension grants:** provides eligible children with 15 hours of free or low cost kindergarten each week led by a qualified VIT registered teacher. The ESK extension grants are available to children attending kindergarten in the year-before-school and are:

- not eligible for the Kindergarten Fee Subsidy
- from a refugee or asylum seeker background, or Aboriginal and/or Torres Strait Islander, or
- known to child protection.
- A child is not required to access ESK in the previous year to access the ESK extension grant.

**Eligible child:** as defined by the Victorian DE Kindergarten Funding Guide:

- a child who is at least four years old on 30 April in the year of attendance; enrolled for at least 15 hours per week or 600 hours per year in a Four-Year-Old Kindergarten; and not enrolled at a funded kindergarten program at another service
- a child who is at least three years old on 30 April in the year of attendance and is enrolled in a funded Three-Year-Old Kindergarten for a minimum of 5 hours per week
- any child that is enrolled in an early childhood and education and care service must have an AIR Immunisation History Statement that indicates that the child is fully vaccinated for their age or who qualifies for the 16-weeks grace period

**Enrolment deposit:** A charge to secure a place that has been offered in a program at the service. This should not act as a barrier to enrolling for any families. Services must ensure that families understand that the enrolment deposits will only be refunded if the child commences in the service (*Refer to Free Kindergarten Fees policy*)

**Enrolment record:** the collection of documents which contains information on each child as required under the National Regulations (*Regulations 160, 161, 162*) including but not limited to parent details; emergency contacts; authorised nominee; transportation authorisations, details of any court orders; and health information including immunisation status. Enrolment records are stored securely in the service due to their confidential nature.

**Kindergarten registration fee:** a payment to cover administrative costs associated with the processing of a child's enrolment application for a place in a program at the service, if applicable. (*Refer to Free Kindergarten Fees policy*)

**Kindergarten registration form:** The process of families providing initial information about their child to confirm their intention to enrol in kindergarten, administered by the CRES Provider (*refer to Definition*) or by the kindergarten service. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten (*refer to Attachment 3*)

**Grace period:** allows specific categories of children of families experiencing vulnerability and disadvantage to enrol and attend the service without an AIR Immunisation History Statement (*refer to Definitions*) or when the statement is assessed as not being up to date. Services complete the grace period eligibility form with families during enrolment and keep a copy with the child's enrolment record. The 16-week grace period starts on the first day of the child's attendance at the service. During the grace period, the service is required to take reasonable steps to obtain the AIR Immunisation History Statement (*refer to Definitions*) and to encourage families to access immunisation services.

**Local Government Area (LGA):** a geographic area governed by a local council or shire.

**Priority of access:** in instances where more eligible children apply for a place at a service than there are places available, the service must allocate spaces using the criteria outlined in the DE Kindergarten Funding Guide (*refer to Attachment 1 and Sources*).

**Registration:** The process of families and carers giving initial information about their child to confirm their intention to enrol in kindergarten, administered by the service provider/EYM/CRES Provider. This includes collection of basic contact information, kindergarten preferences and any other details that may inform prioritised allocation in kindergarten.

**School Readiness Funding:** funding provided by DE for programs and supports that builds the capacity of kindergarten services, educators and families to support children's learning and development outcomes.

**Second year of funded four-year-old kindergarten:** second year eligibility may be considered when a child shows delays in key outcomes of learning and development. An assessment is carried out for each child by an early childhood teacher in Term 4 (the year before the child is to attend school) when a second year is being considered.

**REVIEW DATE:** APRIL 2024

## ATTACHMENT 1. ELIGIBILITY AND PRIORITY OF ACCESS CRITERIA

### FOR A FUNDED KINDERGARTEN THREE OR FOUR-YEAR-OLD KINDERGARTEN PROGRAM

The approved provider must notify all families of the priority of access (PoA) policy that applies when they enrol their child.

In instances where more eligible children apply for a place at a kindergarten service than there are places available, services must:

- prioritise children based on the Department of Education (DE) criteria listed in the table below
- work with other local kindergarten services and the regional DE office to ensure all eligible children have access to a kindergarten place.

These criteria must be used by the approved provider when prioritising enrolments. Guidance is available from the Department's regional offices if required.

Service providers should build flexibility into their enrolment processes that consider the circumstances of families from priority groups.

If participating in a central registration and enrolment scheme, the CRES provider will allocate places in accordance with DE's PoA criteria, and other local criteria if applicable

Services must first apply the DE's PoA criteria, and following this may apply locally developed criteria, as per examples below.

All information relating to PoA criteria should be respectfully collected from families upon enrolment, recorded in the child's confidential enrolment record and entered into the Kindergarten Information Management (KIM) system, where applicable.

### DE's Priority of Access criteria

High priority children	Criteria and processes for verifying need(s)
<p><b>Children at risk of abuse or neglect, including children in Out-of-Home Care</b></p>	<p>The child is:</p> <ul style="list-style-type: none"> <li>• eligible for ESK or AEL, and/or</li> <li>• family, carer or legal guardian identifies the child as known to Child Protection or in out-of-home care, and/or</li> <li>• referred by one of the following:               <ul style="list-style-type: none"> <li>• Child Protection</li> <li>• Child and family services (family services referral and support team, Child FIRST/integ</li> </ul> </li> </ul>

areas and is declared eligible for a second year of funded Four-Year-Old Kindergarten.

--	--

--	--

**Examples to consider for second priority**

- children who turn four years of age by 30 April in the year they will attend kindergarten; or
- children who turn three years of age\* by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET
- children who have a sibling that has previously attended the same kindergarten as their first preference
- home address falls within the same suburb as the kindergarten
- family lives, works, studies or attends child care in [LGA]

**Examples to consider for third priority**

- service for transient families e.g. RAAF, seasonal workers and tourism workers
- date of application
- local community zoning
- full fee paying families

**Note:** DE's PoA guidelines are to ensure that kindergarten programs are available to those children who stand to benefit the most from attending early education. In mixed age groups, PoA guideline will equally prioritise three and four-year-old children that are considered high priority. Where programs for three- and four-year old children are provided separately, the PoA criteria will be applied separately for each age cohort.

#### \* Early Start Kindergarten and Three-Year-Old Kindergarten

During the roll-out of Three-Year-Old Kindergarten, Early Start Kindergarten (ESK) (*refer to Definitions*) will continue to provide 15 hours a week of funded kindergarten for all eligible children up until 2029, when three-year-old children across the state will have access to 15 hours

It is important to continue to enrol eligible children in ESK, even if funded Three-Year-Old Kindergarten is available at the service.

The Kindergarten Funding Guide 2023 states for ESK funding, service providers should:

- provide up to 15 hours in a kindergarten program free of charge and maximise access to 15 hours of kindergarten (children accessing ESK can be enrolled in a 3-year-old group, a 4-year-old group, a mixed age group or a combination of groups in order to access the full 15 hours per week)

This guarantees that children experiencing vulnerability will continue to be enrolled in the full 15 hours of kindergarten in all service settings, including long day care. It also ensures that service providers can continue to receive all funding entitlements.

Service providers are expected to continue to provide the full 15 hours funded through Early Start Kindergarten, even in instances where three-year-old groups are being offered fewer than 15 hours.

ESK is available to children who turn three years of age by 30 April in the year of enrolment and who:

- are Aboriginal and/or Torres Strait Islander
- are known to Child Protection
- have a refugee or asylum seeker background\*

\*Children/families without a current refugee visa or ImmiCard who have a recent refugee experience may be eligible by exception for Early Start Kindergarten, for more information contact your local Department of Education and office.

Refer to the Department of Education's website for up-to-date information: [www.education.vic.gov.au](http://www.education.vic.gov.au)

## ATTACHMENT 2. GENERAL KINDERGARTEN REGISTRATION AND ENROLMENT PROCEDURES

The information contained within this attachment is to be used as a guide and modified accordingly for kindergarten services that are not part of a CRES

### KINDERGARTEN REGISTRATION PROCESS

Stage	CRES Role	Family Role	Kindergarten Role
1. Proactive engagement and awareness	Ensures families are aware of the importance of ECEC, the CRES and available assistance to help them engage with the CRES.	Searches for information about ECEC and CRES. Receives information from a service provider, MCH staff or support service they have contact with.	Communicates information about ECEC and CRES to families Obtains consent for family contact details to be shared with the [CRES Provider].
2. Registration	Obtains information about children to initiate the process of allocating places.	Completes a registration form.	Supports families to complete registration forms if they find it difficult, or refers them directly to the CRES Provider.
3. Allocation	Equitably allocates kindergarten places and optimise the supply and demand of places.	Receives an update on the progress of their registration.	
4. Confirmation and communication	Clearly communicates with families and carers to confirm their allocated place and inform service providers of their enrolment list.	Accepts their offer of place or rejects the offer and goes on a waiting list.	Supports families to understand what an offer means and what they need to do next.
5. CRES planning, maintenance and development	Plans for success every year by evaluating and improving the CRES.	Begins to engage with the service provider to start the enrolment process.	Supports families to enrol and begin kindergarten. Provides feedback to the [CRES Provider] about your experience so they can improve it for the coming year.

\* If the kindergarten believes a family will need extra support completing a registration form or are likely to miss the first round registration date, refer them to the [CRES Provider] with the attached referral form. [CRES Provider] will follow up with this family or carer to offer support in getting their children into kindergarten.

### Kindergarten registration dates

If families miss the registration close deadline, they can still register although they will be placed into a pool for second-round (or even later rounds) of allocation and are less likely to get their top preference. After second round offers have been confirmed, [CRES provider] will continue to allocate children to kindergarten places where they are available. More places may become available as children move kindergartens or withdraw, or when kindergartens add capacity.

Date	Activity
	Registrations open

	Registrations close*
	First round offers
	Acceptance of first round offers due
	Second round offers
	Acceptance of second round offers due
	Subsequent offers on an individual basis

\*Registrations will still be accepted after 30 May, but registrations received prior will be allocated first. Children eligible for Priority of Access will be prioritised regardless of when registration is received.

## Registration

The quickest way to complete a registration form is online at [\[insert link to registration form page\]](#)

Families can also complete a paper form and post it to [\[CRES Provider\]](#). Registration forms are provided by CRES to the kindergarten service and distributed to families. A separate registration form must be completed for each child.

Families cannot register directly with the kindergarten that are part of the CRES, they must go through the centralised registration process. Kindergarten's can direct families to register through [\[CRES Provider\]](#) and assist them to complete the registration.

To fill out the registration form, families will need to provide information about themselves and their child. At this stage they do not need to attach any supporting documentation. They will need a credit card (to pay the registration fee). The fee can also be paid in person at [\[council office\]](#). This fee is waived for all families and carers eligible for Priority of Access allocation.

The registration form asks families for:

- Basic information about the child including name, date of birth, language spoken at home, previous kindergarten attendance and immunisation status.
- Details of any additional support the child might require due to a disability including intellectual, sensory or physical impairment.
- Contact details for the family or carer and any additional adults that should be kept informed throughout the process (e.g. another family member, a case worker or other support service staff member the family or carer trusts).
- Whether the child is identified as fulfilling any of the following criteria:
  - Is Aboriginal or Torres Strait Islander
  - Is from a multiple birth (triplet or greater)
  - Is known to Child Protection
  - Is in Out-Of-Home Care
  - Holds, or has a family member who holds, a Commonwealth Health Care Card, Commonwealth Pensioner Concession Card, Department of Veteran's Affairs Gold Card or White Card, or a Refugee or Asylum Seeker Visa.
- [\[other local criteria\]](#).

It is strongly recommended that you **do not collect** documents proving the child's birth date, address, visa status, concession card status or similar at the registration stage. A statement at the end of the registration form that certifies the information provided is true can suffice as a legal declaration.

This will make accessing kindergarten as easy as possible for families, particularly those who are experiencing vulnerability or disadvantage. Gathering documentation can be a barrier for many families and carers attempting or completing the form and establishing contact with the CRES. Once registered, the CRES Provider, the kindergarten service, MCH or support service staff can assist the family or carer to gather documentation for the enrolment stage.

If your CRES does require documentation at this stage and this cannot be changed, include the information below.

- Proof of identity: Where a birth certificate cannot be produced, other acceptable evidence of a child's full name and date of birth includes:
- Statement from the Australian Immunisation Register (AIR)
- Medicare card
- letter from the doctor or midwife who attended the birth
- doctor's note attesting to a child's age
- passport
- citizenship documents or Australia visa documents or Immicard.
- Proof of residence: a utility bill, rental agreement or rates notice with family name and address (this must be the main residence of the child).
- Subsidy card and immigration visas (where applicable).
- Documents from Family Support Services or a MCH nurse confirming high support needs and/or disability, or letter from a doctor for complex medical needs (where applicable).
- Other proof required to verify the child meets local criteria.
- Credit card (to pay the registration fee). The fee can also be paid in person at their nearest council office. This fee is waived for all families and carers eligible for ESK/KFS/priority allocation.

## Enrolment

Once a kindergarten place has been accepted, the enrolment process can begin.

To enrol a child, families will need to provide copies of (if not already done so):

- Proof of identity: child's birth certificate, birth notice or passport
- Proof of residence: a utilities bill, rental agreement or rates notice with your family name and address (this must be the main residence of your child).
- Concession cards and immigration visas (where applicable).
- Documents from Family Support Services or a Maternal and Child Health nurse confirming high support needs and/or disability or letter from a doctor for complex medical needs (where applicable).
- Immunisation History Statement (unless experiencing vulnerability or disadvantage, at which point they can take advantage of a 16-week 'grace period'. More information is available at <https://www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play/immunisation-enrolment-toolkit>)
- Documents detailing any medical conditions or requirements the child has.

\* Where a birth certificate cannot be produced, other acceptable evidence of a child's full name and date of birth includes:

- statement from the Australian Immunisation Register (AIR)

- Medicare card
- letter from the doctor or midwife who attended the birth
- doctor's note attesting to a child's age
- passport
- citizenship documents or Australia visa documents or Immicard.

Kindergartens may also require additional documentation. The kindergarten should ensure that information regarding any additional documentation is easily accessible for families, carers and support services.

### Enrolment Records

Enrolment records (*refer to Definitions*) form part of the enrolment procedure and are completed by families after they have been allocated a place, and before commencing attendance. An example enrolment form can be found on the DE website: [www.education.vic.gov.au](http://www.education.vic.gov.au)

### Cancellations

Families to notify [Service Name] in writing of their intention to leave the service.

### Second year of funded Four-Year-Old Kindergarten

- All children in Three-Year-Old Kindergarten will be expected to transition to Four-Year-Old Kindergarten in the following year. A funded second year of kindergarten will only be available for children in the Four-Year-Old Kindergarten program who meet the criteria.
- Families of children who have been determined as eligible for a second year must complete and submit a kindergarten registration form for a second year, signed and dated by the early childhood teacher.
- It will be weighted with the relevant points and allocated accordingly.
- A Declaration of Eligibility Form for a second year of kindergarten must be completed and submitted to the relevant funding authority.

### Early entry to kindergarten

- Early entry to school is approved only when exceptional circumstances apply and is subject to an application process and rigorous eligibility criteria.
- It is the responsibility of the parent, carer or legal guardian to obtain all relevant cognitive assessment/s and/or other reports and evidence to support their child's application, including written advice from a professional confirming the child is at risk of long-term educational disadvantage if early entry to school is not approved.

Should parents, carers or legal guardians decide to request early entry to Four-Year-old Kindergarten for their child, the following requirements must be met:

- the child must be at least 3 years and 6 months on or before 30 April in the year they attend the funded kindergarten program
- parents, carers or legal guardians must make a written request for early entry to school to their local Area Executive Director or directly to the principal of a non-government school dependent

- on whether the child is intending to attend a government or non-government school
- parents, carers or legal guardians must provide the kindergarten service provider with a written response from the department or the nongovernment school acknowledging the family has requested early entry to school
- the kindergarten service provider must keep a copy of the written response from the department or non-government school with the child's kindergarten enrolment records.

### Children Older than the Eligible Preschool Age

- Children who will turn six during the preschool year must apply for an exemption from school from the relevant their local ECIB that their child is seeking an exemption from school by submitting an Exemption from school due to attendance in kindergarten program form to the appropriate departmental regional office by 1 November in the year prior to the child turning 6.
- The kindergarten service must sight the approved exemption form from relevant education authority and note that it has been sighted on the child's enrolment record. Data on the number of children attending Kindergarten who are six years plus, and confirmation that the exemption was sighted for each child, must be provided as part of funding data collection process.
- Children who will turn 6 while attending their second year of Four-Year-Old Kindergarten can be exempted from school if a Declaration of eligibility for a second year of funded kindergarten has been completed by the child's kindergarten teacher.

### Withdrawal

Some children who have commenced Kindergarten may benefit from withdrawing from the program, in order to access Kindergarten in the following year.

- A withdrawal can occur without any impact on government funding for that child's place the following year, only if it is implemented **before** the first funding data collection that occurs in, or early March each year.

A grace period applies for families who may find it difficult to provide an up-to-date statement by October.

### Priority of access

Kurboroo Kindergarten follows the Department of Education's Priority of Access criteria (refer to Attachment 1), that prioritises allocation of kindergarten places for children who:

- Are at risk of abuse or neglect, including out of home care
- Are Aboriginal and/or Torres Strait Islander
- Are, or have parents or carers who are, asylum seekers or refugees
- Have additional developmental needs
- Hold or parent holds a Commonwealth Health Care Card, Pensioner Concession Card, Veteran's Affairs Card

Children that fit one or more of those criteria will be allocated to a place in kindergarten as a high priority. This form will collect all the information required to determine if a child is eligible for Priority of Access.

If you believe you or your child are in exceptional circumstances which require prioritisation and are not covered by any of the above criteria, please contact Kurboroo Kindergarten to discuss.

### Fees

Refer to the [Free Kindergarten Fees Policy](#) for more information about fees.

It is strongly recommended that you **do not collect** documents proving the child's birth date, address, visa status, concession card status or similar at the registration stage. A statement at the end of this form that certifies the information provided is true can suffice as a legal declaration. Once registered, staff can assist the family to gather documentation for the enrolment stage.

This will make accessing kindergarten as easy as possible for families, particularly those who are experiencing vulnerability or disadvantage. Gathering documentation can be a barrier for many families attempting or completing the form.

If you do determine that collecting documentation is necessary, you should include the below paragraph here.

**Before you start, make sure you have copies of:**

## ATTACHMENT 4. LETTER FOR PARENTS/GUARDIANS WITHOUT ACCEPTABLE IMMUNISATION DOCUMENTATION

Kurboroo Kindergarten

[Address]

[Insert date]

Dear [insert name]

Re: Enrolment at Kurboroo Kindergarten for [insert year]

I am contacting you regarding your tentative place for [insert child's name] at [Service Name] in the [insert 3 year old or 4 year old program] in [insert year].

Under the *Public Health and Wellbeing Act 2008* early childhood education and care services cannot enrol a child unless the parent/guardian has provided AIR Immunisation History Statement.

AIR Immunisation History Statement includes evidence of immunisations and is used to assess whether your child is fully vaccinated for their age.

As we have not received acceptable immunisation documentation for [insert name of child] by the due date, and your child is not eligible for the 16 week grace period, we are unable to confirm a place at our service for [insert year] and your child's name has been removed from our list.

Immunisation programs are effective in reducing the risk of vaccine preventable diseases. Immunisation from an early age helps protect your child against serious childhood infections. Further information about immunisations for your child is available from:

- your doctor
- [insert details of local government immunisation service]
- National Immunisation Information Line Tel. 1800 671 811
- Australian Immunisation Register:

- Better Health Channel website:

Should you wish to re-apply for a place for [insert child's name], we are happy to accept a new enrolment application accompanied by an AIR Immunisation History Statement. The new application would be considered in line with Kurboroo Kindergarten's *Enrolment and Orientation policy*.

Yours sincerely
